

## FIRST YEAR STUDENTS – FEES FOR THE AY 2017/2018

### Tuition Fee Regulation

Tuition fees at the University of Rome Tor Vergata for the **AY 2017/2018** will be based on the student's family income and no extra-fee will be charged for courses taught in English.

International students' family income can only be certified by the Italian Diplomatic Authorities (local Consulate or local Embassy), which students should consult in order to know what documents are needed for such certification. Once the proper documentation is submitted to the Italian Diplomatic Authority, it will provide the student with the certified documents that need to be brought to any CAF Office (Italian Tax Service Centres) after arriving in Rome.

The CAF office will deliver to the student the ISEEU module necessary to then determine the student's yearly tuition fee amount.

Not submitting the ISEEU to the University will imply for the student the payment based on the maximum rate of the yearly fee of the course (80% of the maximum rate for the students coming from low-income economies or lower-middle-income economies<sup>1</sup>; 100% of the maximum rate for all the other international students).

The student must get the ISEEU module at the CAF Office no later than **15<sup>th</sup> December 2017**; after this date, a non-refundable late submission fee will have to be paid by the student, according to the following table:

ISEEU Submission	Fee
From 16th Dec 2017 to 15th March 2018	150 euro
From 16th March 2018 to 2nd July 2018	200 euro

**NB:** Students are required to pay the first instalment of their tuition fee no later than **Monday, 6th November 2017** (or meet the deadline set by the Call of the Board of the student's Programme, if different).

### Tuition Fee Amounts

Yearly tuition fee amounts vary depending on the ISEEU index, calculated by the CAF Office, as follows:

- Students with an **ISEEU lower than 13.000 euro** are in the tuition "no-tax area" and will only be charged with a tuition of 156,00 euro per year; students applying for the Laziodisu scholarship benefits will only be charged with 16,00 euro<sup>2</sup>.
- Students with an ISEEU ranging between 13.001 and 30.000 euro will be charged with a fee not higher than **1.190,00 euro**.

---

<sup>1</sup> Please see [here](#) the list of relevant countries (Art.1), according to the Italian Ministry of Education.

<sup>2</sup> In the case in which the student applying for the Laziodisu scholarship were not to be granted it, he/she will have to pay the fees based on his/her ISEEU, as for all the other students.

- For students with an ISEEU higher than **30.000 euro**, tuition fees rise linearly for ISEEUs lower than 90.000 euro; for ISEEUs greater than **90.000 euro**, tuition fees remain constant at the maximum tuition level.
